THE GLOBE,

THE OFFICIAL PAPER OF CONGRESS.
I PUBLISH now my annual Prospectus of THE DAILY GLOBE, and the CONGRESSIONAL GLOBE, to remain subscribers, and inform those who may desire to subscribe, that Congress will meet on the first Monday of next December, when I shall resume publishing the above-named papers. They have been published so long, that most public men know their character, and therefore I deem it needless to give a minute account of the kind of matter they will contain.

THE DAILY GLOBE will contain a report of the Debates in both branches of Congress as taken down by reporters, equal, at least to any corps of short-hand writers in this or in any other country. A majority of those who will, be able to report, verbatim, ten thousand words an hour, while the average number of words spoken by fluent speakers rarely exceeds seven thousand five hundred words an hour. When the debates of a day do not make more than forty-five columns, they will appear in The Daily Globe of the next morning, which will contain, also, the news of the day, together with such editorial articles as may be suggested by passing events.

THE CONGRESSIONAL GLOBE AND APPENDIX will contain a report of all the Debates in Congress, revised by the speakers, the Messages of the President of the United States, the Annual Reports of the Heads of the Executive Departments, and the Laws passed during the sessions, and copious indexes to all. This will be printed on a double royal sheet, in book form, royal quarto size, each number containing sixteen pages. The whole will make, it is believed, at least 2,000 pages. This is acknowledged to be the cheapest work ever sold in any country, whether a reprint or printed from manuscript copy, taking for data the average number of words it contains.

The coming session will, without doubt, be an unusually interesting one, because the debates will, in a great measure, be upon the policy of the President elect, and the Globe will be, as it has been for many years past, the only source from which full debates of Congress can be obtained.

THE CONGRESSIONAL GLOBE AND APPENDIX pass free through the mails of the United States, as will be seen by reading the following Joint Resolution passed by Congress the 6th of August, 1852:

Joint Resolution providing for the distribution of the Laws of Congress and the Debates thereon.
With a view to the cheap circulation of the laws of Congress and the debates contributing to the true interpretation thereof, and to make free the communication between the representative and constituent bodies:

Be it Resolved by the Senate and House of Representatives of the United States of America in Congress Assembled, That from and after the present session of Congress, THE CONGRESSIONAL GLOBE AND APPENDIX, which contain the laws and the debates thereon, shall pass free through the mails so long as the same shall be published by order of Congress: Provided, That nothing herein shall be construed to authorize the circulation of the DAILY GLOBE free of postage.

APPROVED, August 6, 1852.
TERMS:
For a copy of THE DAILY GLOBE, for four months \$3 00
For 1 copy of THE CONGRESSIONAL GLOBE AND APPENDIX, during the session 3 00
For 2 cop'es ditto, when ordered at the same time 5 00
No attention will be paid to any order unless the money accompany it.
Bank notes, current in the section of the country where a subscriber resides, will be received at par. The whole or any part of a subscription may be remitted in postage stamps, which is preferable to any currency, except gold or silver.

ANNOUNCEMENTS.

For Clerk.
We are authorized to announce Capt. H. R. VANDIVER as a candidate for Clerk of the Court at the next election.

The friends of Col. F. A. HOKE announce him a candidate for Clerk of the Court for Anderson District at the next election.

The many friends of ELIJAH WEBB, Esq., would announce him as a candidate for Clerk of the Court for Anderson District at the next election.

To the Voters of Anderson District:
"MANY FRIENDS" have announced my name as a candidate for Clerk of the Court at the ensuing election, and it is due to them, as well as to the voters of the District generally, that I should make a response to the announcement. At the close of my last canvass, I stated publicly that I did not intend to again run for the office, and I remained unshaken until December last, when my situation was in many respects greatly changed—owing to my misfortune, which is known to the District.

I was born and reared in this District, and am, perhaps, the oldest citizen of this town—have always resided here, and hope that my bones may repose in her soil. I have received many favors from my fellow-citizens, and have tried to discharge the trust they have so long confided to me with courtesy, zeal and strict fidelity. My past services and performance in the office is the best guarantee I can offer the District for a faithful discharge of its duties in the future. Many voters, therefore, and my friends generally, are authorized to use my name as a candidate for re-election.

EXECUTIVE DEPARTMENT.

WHEREAS Electors of President and Vice President of the United States are appointed by the General Assembly of South Carolina; and whereas an Act of Congress, passed in 1846, fixed the time when these Electors shall be appointed on a day when the Legislature of this State is not in regular session. In consequence thereof, I, WILLIAM H. HEAD-QUARTERS.

UNION C. H., S. C., OCTOBER 6, 1860.

GENERAL ORDERS No. —
Generals of Brigade respectively are required by law annually to make and transmit to the Adjutant and Inspector General, by the first day of October, a complete report of the strength of his Brigade, and the public arms, &c., in its possession.

Generals of Brigade, who have failed to comply with this law, are hereby required to make such report by the first day of November proximo.

Generals of Brigade are, by law, responsible for the organization and discipline of their respective Brigades, and it is incumbent upon each one of them to require their Colonels to discharge their duties; therefore, no incomplete report will be accepted from a General of Brigade, unless it is accompanied with a statement that each defaulting Colonel has been arrested, and has been or will be court-martialed.

It is at all times of consequence that the Commander-in-Chief and the Legislature shall have information in reference to the militia of the State; it may be of vast importance that the next Legislature have information as to the exact strength and condition of each Regiment and Corps in the State. It is therefore, hoped that each General of Brigade will use his utmost effort to procure the information so much desired. By order.

R. G. M. DONNANT, Adjutant and Inspector-General.
